2021-2022 School Year – Tentative CCS plans:

Both Full In-Person (5 days per week) and Full Time Distance will be options for all families at all schools next school year.

Campuses will not be only “in-person” or only “distance” campuses

CCSD pilot program for blended learning will be implemented

All staff will be on campus on all days (regardless of method they teach)

High likelihood teachers will be assigned to EITHER Full In-Person OR Full-Distance

Teachers will not be expected to teach students on campus AND those at home at the same time.

District still working on method to obtain preference information from parents.

Distance Learning Platform: All schools will be required to use CANVAS. JCVES teachers will upload their Google Classrooms into the CANVAS system.

Tier 1 Instructional Materials: New enVision Math will be purchased districtwide by CCSD. CCSD will provide centralized professional development for all teachers. Online access will be granted to teachers in early May. An English Language Arts curriculum is to be determined and provided as well.

Donation:

Hannah M. Brown Elementary school does not have Student Generated Funds yet. Would we be okay with sending a small donation to them to support them with buying items outside of their CCSD budget. Team agrees to sending small donation to Brown Elementary School.

Public Comment:

Will students spend a lot of the day on the Chromebooks when they are in-person? ~A majority of our teachers are teaching in-person *and* online, so they may be online for part of the day. Additionally, much of the content designed for this year is on the Chromebooks. They will also be needing them for testing.

Adjournment

Our next meeting will be on April 13, 2021, at 3:30 p.m.. Meeting adjourned at 4:07 p.m.

Minutes respectfully submitted by,
Laurie Barkemeyer
